## EDUCATION

---

### Bachelor of Technology – Computer Science and Engineering

Marri Laxman Reddy Institute of Technology – Hyderabad

**2023-Present**

CGPA: 8.88/10

### Diploma in Mining Engineering

Govt Polytechnic-Kothagudem

**2020-2023**

CGPA-9.8/10

## SKILLS

---

- **Programming Languages:** Java,Python,C
- **Database:** SQL
- **Technologies:** Html,Css,JavaScript
- **Operation systems:** Linux, Windows
- **Tools:** Git, GitLab, Jupyter Notebook, VS code
- **Areas of Interest:** Web-Development , DSA
- **Traits:** Leadership,Communication skills,Team skills

## PROJECTS

---

### Email Spam Detection System Using Machine Learning:

A machine learning project for classifying emails as spam or non-spam.

- Developed an email spam detection system using supervised machine learning techniques, including logistic regression.
- Implemented text preprocessing methods like tokenization and stop word removal to classify emails with high accuracy as spam or non-spam.

### Flipkart Clone

Project to replicate the essential features of Flipkart's homepage.

- Developed a basic clone of Flipkart homepage.
- Focused on layout and navigation bar implementation.

### Smart Laundry Service Management App (Android)

An app designed to streamline laundry services for users.

- Developed an Android app for laundry service management.
- Enabled users to place orders, track deliveries, and manage accounts.
- Simplified laundry processes for busy professionals with automated order placement and delivery notifications.

## CERTIFICATIONS

---

Certified by NPTEL in Data Structures and Algorithms using Java.

CISCO certified in Programming Essentials in Python

Mastered in Data Analytics Essentials Certification by CISCO

Achieved All India Council for Technical Education by AICTE
